Welcome to a New Year of Dance!
Hello lovely dancers and dance enthusiasts!

🎉 As the curtain rises on another exciting year at our studio, we're brimming with optimism and joy!

Get your dancing shoes ready because we're leaping into 2025 with a grace that's unparalleled.

Year of Dance
Anna and Justin

We're back in full swing starting with the first class as early as Monday 20 January and are eager to welcome you all back to our vibrant venues.

This year doesn't come without a few surprises, as renovations at our Emu Plains venue are taking a little longer than expected. But fret not, we're temporarily twirling over to Melrose Hall for the first 2 weeks, where the rhythm stays just as thrilling! 😊.

For all other venues CHECK page 3 Resume Dates.
